LaTeX for Linguists

My first TeX document

Sebastian Nordhoff   Antonio Machicao y Priemer

January 2, 2019

Contents

1 A short introduction

This is an sample text. The only purpose of this text is to show how to work with LaTeX. It is not necessary that this text has any meaning. It should only show some properties of the system we are using.

1.1 A note on the data

This is an sample text. The only purpose of this text is to show how to work with LaTeX. It is not necessary that this text has any meaning. It should only show some properties of the system we are using.
